### **Notes:**

#### **Labor Note:**

†Labor rates have been estimated based on the information provided. The quoted labor call times are subject to revision as details change. Actual hours and applicable rates will be billed as accrued during event. All Labor is based on a Ten (10) hour billing day. After Ten (10) hours labor will be billed at 1.5 times the base hourly rate. Additionally after midnight and before 6:00am, labor will be billed at 2 times the base hourly rate. An 8-hour turnaround is required between work days or billing will start at 1.5 times the base hourly rate. A meal break must be provided every 5 hours. Meal breaks are either 1 hour off the clock or 1/2 hour on the clock if a meal is provided. Canceling a labor call with less than 24 hours' notice will result in a charge of a flat day (8-hours) for each position canceled. Changing a call time requires 24 hours' notice in advance of the new call time.
